

Indoor Playground Equipment

Sponge Playground

Sponge Playground

As a safe play area designed to entertain infants and toddlers for a short period of time found in indoor play centers, business crèches, fitness centers and clubs etc. In many instances Playtec theme plays a vital role in bringing the soft play shapes to life by engaging the children's sensory emotions and feelings. Classic soft play is often used as a combination of pieces designed to develop children's balance skills, confidence and gross motor skills as found in gyms catering to children or special schools using the equipment for a therapeutic outcome.
